S I R :

In connection with the above-identified continuation application, and in accordance with 37 C.F.R. § 1.821, Applicants submit herewith a Sequence Listing. The instant Application claims priority to Application Serial No. 08/942,596 filed October 2, 1997. The last-filed Sequence Listing of the 08/942,969 application is identical to the Sequence Listing of the instant Application. For Computer Readable Form of the Sequence Listing Applicants direct the examiner's attention to the Sequence Listing filed April 19, 2002 in connection with Application Serial No. 08/942,696. Applicants submit herewith a Sequence Listing in paper format pursuant to 37 C.F.R. § 1.821(c) and (e). It is understood that the Patent and Trademark office will make the necessary changes to the Sequence Listing for the instant application in regard to the application number, filing date, title and priority application number and date •

I hereby state that the content of the paper Sequence Listing submitted herewith and computer-readable copy of the Sequence Listing submitted in connection with Serial No. 08/942,596, are and are the same. I hereby state that the submission herein under 37 C.F. R. § 1.821(g) does not include new matter.

Respectfully submitted,

Date January 27, 2004
